”Our hearts in history and our minds set to the future”

Two ancient cities

- The history of Kungälv starts a 1000 years ago
- Strategically important throughout history
- Industries in the late 19th century: ABC-factory, Industry of glassworks, Göteborgs Kex

one municipality

- Marstrand founded in the 13th century
- Centre of the herring industry in the 16th century
- The Carlsten fortress – when Marstrand became Swedish in 1658
