

The map displays a site with several distinct zones and features:

- NATUR** (Green zone): Located at the top of the site, featuring contour lines and a small building.
- RB** (Orange zone): Located in the upper right, containing a building and a small pond.
- SR-U** (Red zone): Located in the lower left, containing a building and a small pond.
- KÄRNA** (Red zone): Located in the lower right, containing a building and a small pond.

The map also shows various infrastructure elements, including roads, buildings, and utility lines. Elevation points are marked throughout the site, and the surrounding area includes a river and a road.

0 5 10 15 20 25 30 35 40 45 50 Meters

Skala: 1:1000

[illegible]

Vid utformning och höjdsättning av området ska risken för skyfall, minst 100-årsregn, beaktas.
